## **VOLUNTEERING NEW PLYMOUTH IS CELEBRATING INTERNATIONAL VOLUNTEER MANAGERS DAY**

This year's theme will simply be "**What's Next?**" The Covid-19 pandemic has created challenges on many levels, and those of us leading volunteer effort have found ourselves in positions we never imagined. It's our hope that over the lead up to IVMDay 2020, we will continue to have time to reflect on the lessons, challenges and most importantly opportunities that confront us – and we hope that IVMDay 2020 will offer a focal point for volunteering leaders to collaborate and consolidate the way forward.

We invite you come and spend time with other Managers to celebrate the wonderful difference Volunteers make in our community.
