

Your gift is on our wishlist.

**As part of our Christmas fundraising,
the Taranaki Health Foundation will be
raffling some goodies throughout December.**

We are looking for businesses who are willing to donate their product or services to be raffled to raise money to help enhance healthcare across Taranaki. This includes the New East Wing Building and Taranaki Cancer Care Centre at Taranaki Base Hospital.

Your gift will be offered as a prize at one of our Christmas events or promotions. All businesses involved will be recognised as donors to Taranaki Health Foundation on our website and through our social media channels.

If you would like to be involved, or for more information contact:
