**Photo:** Corporate working bees are an important part of Rotokare's volunteer program. Recently a team from Ulti Group spent time helping with tracking card deployment.

## NEW VOLUNTEER INDUCTIONS

**Sunday 5th November**

**10.00am** at the Rotokare workshop.

## Sunday 5<sup>th</sup> November

### WALKWAY MAINTENANCE:

A few sections of the lake walkway have got a bit boggy with all of the wet weather and so assistance with additional metal spreading is required to help keep the walking track enjoyable.

## Sunday 12<sup>th</sup> November

### LINE CLEARING:

A continuation of the important task of keeping all of the monitoring lines across the sanctuary serviceable and clear of vegetation.

## Sunday 19<sup>th</sup> November

### OUTSIDE FENCE CHECK AND TRAP REBAITING:

Today's task is to do a visual check of the sanctuary fence from the outside, together with checking and rebaiting the DOC traps.

## Sunday 26<sup>th</sup> November

### ENTRY GATE CLEAN UP:

The main sanctuary entry gate area is going to get a spring clean. Gardens to be weeded, leaves to be swept and hood and fence mesh to be brushed and sprayed for moss and lichen.

**Photo:** Volunteers Andrew, Joe and Chris assisting the Sanctuary Mountain Maungatautari team to replace the wooden battens on their fence with a new alloy alternative. A great opportunity to discuss fence care while supporting our sanctuary neighbours.
