

Free Orientation Program for Migrants and all Redundancy

Facilitator- Angela Solomons of Taranaki Community Law

“Redundancy is becoming a larger issue due to COVID-19 – more and more employees are being made redundant, and it’s important to know how this process works. We will look at Good Faith obligations, the reasons for a redundancy, and the process that should be followed. There will be case studies highlighting how this works in practise”

**Wednesday 21st October 2020
10:00 am to 12:00 pm**
