### Your foundation for first aid

This one day course is ideal for first aiders in workplaces and anyone wanting to learn the basics of first aid.

- Minimum qualification requirement for a workplace first-aider valid for 2 years
- > Take our First Aid Refresher course within 2 years of completing this course for a time and cost saving re-certification
- Eligible for NZQA unit standards 6401 and 6402.

# What you'll gain

In this course, our in-depth lessons and scenario-based activities will give you:

- the confidence to recognise and treat everything from common injuries to lifethreatening medical emergencies
- the skills to offer vital assistance and CPR before more experienced help arrives
- > the starting point for advancing your first aid training to the next level
- > a First Aid Level 1 certificate valid for 2 years upon successful completion.

## You'll learn about

- patient positioning and assessment
- scene and hazard management
- > CPR (adults, children, babies)
- defibrillator (AED) use
- > choking (adults, children, babies)
- general care
- bleeding and shock
- burns
- poisoning

- heart attacks and chest pain
- > strokes
- > seizures
- fractures and dislocations
- soft tissues injuries
- > allergic reactions (anaphylaxis)
- asthma
- diabetes.

**Duration** One day **NZQA units** 6401, 6402

Current as at 1 March 2022

Keeping you safe from COVID-19
For your health and safety, all in-class attendees must provide proof, upon entry, of double vaccination against COVID-19.
Mask wearing, social distancing and contact tracing may be required depending on the alert level at the time of your course.

#### **Choose St John**

St John is one of New Zealand's leading providers of first aid courses. Years of experience, a dedicated team of knowledgeable people and proven teaching systems make our courses engaging and highly effective.

As the provider of ambulance services to most New Zealanders, we want you to do the right thing when an emergency happens. Who better to train you in life-saving first aid skills than the people behind New Zealand's largest ambulance service.

And by choosing a St John First Aid Training course you are helping to support essential community services in New Zealand.

### Keep up to date with our first aid training newsletter

Join our e-newsletter mailing list and you'll receive an email each quarter with first aid stories and tips, news from St John and a quiz to test your knowledge.
