

Volunteer Recognition Awards 2026

Tuku Iho Nomination

(3 Generations or more from one Family / Whanau)

Background

This award recognises and honours people who have made an outstanding contribution in our community.

Nominees will be judged on their voluntary work within the nominating organisation and the wider community. These services must be given voluntarily to help others without expecting any personal or financial gain.

This category is for Family / Whanau that have 3 or more generations who volunteer.

The volunteering does not need to be for the same Organisation - however One Organisation needs to take the lead for the nomination

(or speak to Volunteering New Plymouth about how this can happen)

Information about each nominee is to be on a separate page and will be read separately and the successful Awarded Family / Whanau will each receive

Certificates under this category.
