SUPPORTING OUR COMMUNITY - TAUTOKO TE IWI WHĀNUI

Wow! We are into August already. There has been so much happening here this year. We are very excited about our new website, it is creating a great deal of new traffic and we have some awesome people looking to volunteer with a variety of skills. So if you are looking for volunteers – please contact us so that we can match these new people with your vacancy. Please go to our website www.volunteeringnewplymouth.org.nz and check out the new things that we are putting up, also for Organisations please consider giving us permission to put a link to your website on our links hot button by updating your info with us. This newsletter is dedicated to Our Volunteer Recognition Awards recipients. We had a wonderful evening with another new format, which was well received. We are already planning for next year with another exciting addition to the categories.

What is coming up?

- 1) Eileen and I will be away at Volunteering New Zealand Conference and Our Volunteer Centre Network Hui from 14th – 16th October and Wendy will be available from 11am – 3.30pm on those days
 - 2) International Volunteer Managers Day 5th November and we will have our Starbucks morning Coffee- with a brief introduction to our website and how it can benefit your organisation
 - 3) International Volunteers Day Lunch this year is on 8th December at New Plymouth Club so please put that date in your diary and up on the notice board. A flyer will be out a little later.
 - 4) This year we will be closing for the Christmas break from 4pm on 16th December and returning on 13th January 2020.
- I know this is crazy planning – however I have started event planning for 2020 already – so wanted to share what we know already so that you can put some of these things into your diaries.

We will have some further training sessions before the end of the year – looking at some new topics and doing research into that as well as finding new presenters. If you have something that you are interested in and think that you would like some help then please contact me as other Organisations or groups could be in the same position and I will endeavour to find a Trainer.

We have three new topics that we are currently looking to get dates or venues confirmed and they are:

- 1) Advocacy – What is, What Can and When Can – What Can an Advocate legally do? Presenter: Angela Soloman from Taranaki Community Law. 19th September 10.00- 12.30.
- 2) Volunteer Rights & Responsibilities. 10th October 6.30 - 8.30pm.
- 3) What makes great News – Demystifying Newsworthiness? Presenter: Matt Rilko - Editor for Stuff's Taranaki newsroom. Date to be confirmed.

I hope you enjoy reading about our Volunteer Recognition Award Recipients and the amazing work they all do. While doing so think about who you could nominate for next year's Awards. Thanks for all the great work you are all doing in our community, till next time. Kindest regards

DENNIS AND LAUREN REI Weaving the people together – this is Dennis and Lauren's variety of volunteering activities.

For four years Dennis has been doing a weekly Community Food run collecting and delivering food parcels to people/families in need.

Both Dennis and Lauren have volunteered for ASD Connex for about three years, Lauren has been involved with the food preparation for the monthly afternoon tea and Dennis continues to volunteer with kids supervision for this event.

For five years they have been the Bayly Road Family Home Caregivers, this is an unpaid role and they are available 24/7 with only 48 hours respite per month. There are up to six school age young ones who arrive for various lengths of time, with diverse challenges. These continual changes can create unease for those there for longer terms and Dennis and Lauren treat them all with respect, aroha and incredible care.
